And we're ready to teach you a lot today.

Our topic is still FOOD.

And we have a new lesson called Eating at a Restaurant.
Eating at a Restaurant.

Nathan, do you think you have good manners?

Oh, well, of course I do, Katie.

Hello, friends.

My name is Nathan.

I think that I mostly have pretty good manners.

But sometimes I do forget things.

OK.

Well, we are going to learn a lot more
you should act when you are at a restaurant.

So let's go to Conversation A right now
(Music).

Hello, everyone.

Welcome to Let's Talk.

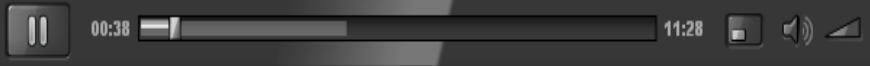

Do you like to eat out in restaurants?

What are some good manners to remember when you are in a restaurant?

Well, today's guest will help us to learn all about that.

Please help me welcome Mr. Paul Polite.

And my name is Carolyn.

And you are joining us for the second day of our lesson about Bluetooth Fashion.

That's right. Technology is getting a new look.

We already talked about some ways it's getting a new trendy look. It's looking cooler.

Carolyn, what is one thing the Bluetooth is doing to look cool?

Well, yesterday we were talking about Bluetooth clothing.

We learned that a fashion designer Asher Levine has just released new line of clothing that uses Bluetooth technology.

There are microchips inside the clothes that connect to your iPhone so that if you lose your phone... or use an app on your phone to find them. It's very cool.

And of course, there's also the Ripple, a

And this is kind of a little circular device that is actually the same function as talking to someone on your phone, but it also plays music.

If you don't feel like talking to your friends, you can just play music and leave that thing that looks like an earring in your ear.

It's pretty cool.

Well, it's now time for us to continue learning about Bluetooth Fashion with Spray Bluetooth Speakers.

Bluetooth Fashion.

One of them is Winnie.

Hello, Winnie.

Hi, Doris.

Hello, listeners.

Winnie, where do you come from?

What's your hometown?

I'm from New York City in America.

New York City, well, that's a long ways away.

But Winnie, are you interested in staying here a long time and helping Studio Classroom?

Of course. I'm really excited to be here.

Good. Well, you know, Winnie is a very good person and she can join us.

And this is your very first time on Advanced English?

Yes, it is.

Well, thank you for being with us.

And then we have someone who came to work in our editorial department, Ryan.

How are you, Ryan?

I'm doing very well, Doris.

And you've been working here a very short time, but how do you like our Advanced and Studio Classroom programs?

Welcome back, everybody.

We actually have a small correction to make.

Our lesson's deck says exciting experiences await you on Japan's beautiful northern island. But technically, it should say Japan's beautiful "northern islands." You see, Hokkaido includes a few fun smaller islands up near the border of Russia.

Let's visit them right now on page 19.

“珊瑚礁有難 (2-2-上)” 珊瑚礁對人類貢獻良多。珊瑚礁有助保護海岸不受風暴與大浪的衝擊，也提供人類食物與藥物。此外，珊瑚礁帶來工作機會、促進觀光，替當地經濟帶來數十億的收入。珊瑚礁有難，然而珊瑚礁需要人類的救助。科學家估計大約有三分之二的珊瑚礁正面臨死亡威脅，而人類是造成威脅的主因。污染、毒物以及過度捕撈都傷害了珊瑚礁。到二〇四〇年，全球三分之一的珊瑚礁可能會因人為破壞而死亡。人類可用許多方式來拯救珊瑚礁。回收垃圾與節省用水能減少流入海中的廢物。交通可搭乘公車或騎腳踏車，來降低可能會導致全球暖化的空氣污染。撿拾海灘上的垃圾也能保持水域的潔淨。如果每個人都能採取以上步驟，改變是可能的。健康的珊瑚礁代表健康的海洋以及健康的地球！

"腦力激盪指南(下)" 善用這些有用的小撇步，讓你的想像力動起來 每個人都會碰到這樣的狀況——你有問題要解決，但點子已經用完了。那要怎麼解決呢？答案是腦力激盪一下吧！尋常的答案你已經試過了，腦力激盪卻能幫你想出不尋常的答案。你可以自己一個人腦力激盪，也可以和一群同事或同學一起進行。如果做法正確，它就可能產生驚人的結果！以下幾項小秘訣要教你如何從腦力激盪會議中得到最大的成效：舒適為要：選擇一個大家都能放鬆、專注的環境。確認問題：如果是團體進行，要讓每個人都有時間先思考問題。重量不重質：目標是盡可能想出越多辦法越好。讓每個人都有機會發言：沉默和害羞的成員可能有最棒的主意！不要妄加評斷：就算提出的建議再瘋狂也無所謂。在腦力激盪的時候，所有點子一律平等。把一切都白紙黑字寫下來：當你開始把小點子整理起來的時候，它們也可能化身為建構解決方案的重大基礎。在會議結束後，檢視所有的點子並開始擬定可能的計畫。完美的解決方案或許全然出乎你意料之外！

A Sweet Tooth-[A]-What will Susie bring to Rob on Monday?

Hmm, what is a sweet tooth?

Well, if you have a sweet tooth, that means you enjoy eating sweet things sometimes.

I think many people have sweet teeth.

Yes, you can say you have a sweet tooth if you like eating desserts, like cookies and doughnuts and other treats like apple pie.

Oh, there are so many different kinds of sweet desserts.

And we're going to learn about them today.

So let's get started.

Open up your magazine and let's go to Conversation A.

Hi, Rob. Would you like a cookie?

Sure, Susie. I love cookies!

Wait, what were you just eating?

A doughnut. I love doughnuts too.

You've eaten a doughnut every day this week!

I know. There's a new doughnut shop near my apartment.

Their doughnuts are so good!

Well, here's another treat for your sweet tooth.

Thanks, Susie.

Well, it sounds like Rob really does have a sweet tooth.

That means he really likes to eat sweet things.

He often thinks about eating sweet things.

He wants to eat sweet things like cookies or doughnuts or other sweet treats.

We have three key words here.

The first one is "cookie." What is a cookie?

It is something delicious that you can bake in the oven.

I like baking cookies.

They are sweet... most of the time.

There are many different kinds of cookies.

Hmm, there are.

I enjoy peanut butter cookies.

Those are so good!
